<b>vs.</b>	)	<b>ORDER</b>
	)	
<b>JOHN CORSON,</b>	)	
	)	
<b>Defendant.</b>	)	

This matter is before the court on the motion of defendant John Corson (Corson) for a substance abuse evaluation and to participate in a treatment program (Filing No. 65). After reviewing the Pretrial Services report and Corson's criminal and substance abuse history, it appears there remains an outstanding arrest warrant from the State of Colorado. The court is not inclined to release a defendant from detention while there remains an outstanding arrest warrant even if there is no request for extradition or a detainer placed by the state authorities. Once the warrant is cleared, the court will reconsider the motion.

Corson's motion (Filing No. 65) is denied without prejudice.

**IT IS SO ORDERED.**

DATED this 29th day of March, 2011.
